Anishka Narang

First-Year Computer Science Student

About Me :

I am a dedicated First-Year Student at VIT Bhopal University, currently pursuing a degree in CSE (AI & ML). As a Student Digital Ambassador, I am passionate about leveraging technology to solve complex problems and enhancing digital literacy within my community. My academic focus lies at the intersection of software development and cybersecurity, and I am committed to building a strong foundation in modern programming languages while staying curious about emerging tech trends.

Skills :

- **Technical:** Python (Basics), HTML/CSS, Git & GitHub Version Control.
- **Digital Tools:** Google Workspace, Canva, VS Code, Command Line Basics.
- **Soft Skills:** Analytical Thinking, Technical Communication, Collaborative Problem Solving.

Projects :

DIGITAL

LITERACY GUIDE

WHAT IS DIGITAL LITERACY?

Digital literacy is the ability to find, evaluate, and communicate information using digital technology. It includes understanding how to use devices, apps, and the internet safely and effectively.

USEFUL DIGITAL TOOLS

Google Docs & Slides for collaboration, Canva for creative projects, Khan Academy for learning, Notion for note-taking, and Grammarly for writing help. These tools boost productivity and learning!
